Also complete this part to provide any additional information. See instructions.

Part I, Line 2:

The Foundation's foreign activities consist of educational scholarships and assistance awarded to U.S. students studying in foreign regions.

Children of Fallen Patriots grants are awarded to children of deceased service-members who died in the line of duty or due to service connection. The purpose of Fallen Patriots grants is to cover the costs associated with college/university, trade, or vocational program tuition, student loans, room, board, living expenses, books, fees, and other miscellaneous educational expenses.

To monitor the use of grant funds, the following controls are in place: Potential grant recipients are verified through Department of Defense casualty next of kin lists or through review of Form DD 1300. Recipient needs are reviewed with the Program Director and reviewed by the Chief Executive Officer prior to distribution of funds. Funds are distributed directly to the school to be applied to the student's expenses whenever possible. Receipts are used for direct reimbursement to students their surviving parent, or other authorized individual. Minimum fixed funding amounts are provided for living expenses, transportation, books, and one-time computer purchases. These fixed amounts are based in part on third party expense studies provided by The College Board. These amounts also are corroborated by Fallen Patriots cost/expense experience over fifteen years. The Program Director, Chief Executive Officer, and Chief Financial Officer monitor the use of funds with the schools and students, with any unused funds being returned to the organization.

Part I, line 3:

Expenses are directly tracked and accounted for on the accrual method of accounting.

Multiple horizontal lines for additional text input.
